## Vaccines

\_\_\_\_\_ In order to protect the health of your pet, this facility requires documentation showing that all boarding dogs have current rabies, DA2PPCV, and *Bordetella* vaccines, and cats have current rabies, DRCC and Felv vaccines. If any of your pets' vaccinations are past due, they must be inoculated before boarding. Vaccines that must be administered at this facility will be added to your bill. Pets that are so young that they have not completed their entire series of vaccinations may not yet be protected and, thus, owners accept any risks of infection. Proof of vaccination must be provided at the time of admittance or your pet will be vaccinated.

## Diet

\_\_\_\_\_ Your pet will be fed twice daily with Science Diet Sensitive Stomach food for no additional charge. We will be pleased to feed another commercial or prescription diet of your choice if you bring it with you. If the pet's own food is not provided then you will be charged at the time of pickup for the other food used. If your pet has special dietary requirements please indicate below. For each pet, please indicate the food to be fed and the amount your pet is fed each day. If your pet requires feeding more than twice daily additional charges may apply.

Please provide special feeding instructions: \_\_\_\_\_
